PROFESSIONAL EXPERIENCE

- | | |
|---|---|
| Salesforce
<i>Senior Solutions Engineer, Core</i> | Atlanta, Georgia
July 2025 – Present |
| <ul style="list-style-type: none">• Drive \$4M+ in annual pipeline across a high-velocity territory, executing rapid discovery-to-demo cycles spanning Sales Cloud, Service Cloud, Agentforce, Data Cloud, and Slack.• Contribute to team quota attainment of 110%+ by executing scalable, repeatable SE motions aligned to SMB buying patterns, compressing time-to-close through strong technical qualification and demo execution.• Leverage agentic coding tools (Claude Code, Cursor) to prototype customer-specific POCs and Agentforce agent demos in 48 to 72 hours, enabling same-week technical validation during fast-moving sales cycles.• Build reusable discovery frameworks, solution POV templates, and demo canvases adopted as team best practices, increasing SE coverage efficiency across a broad, high-volume account set. | |
| Clari
<i>Senior Sales Engineer, Enterprise</i> | Atlanta, Georgia
November 2024 – July 2025 |
| <ul style="list-style-type: none">• Supported \$8M+ in annual enterprise deals pipeline by delivering strategic demos and aligning AI-driven forecasting solutions with enterprise revenue goals.• Cultivated relationships with Product, Customer Success, and Sales stakeholders to align GTM strategies with enterprise needs, contributing to a 15% increase in upsell opportunities. | |
| Collibra
<i>Lead Sales Engineer</i> | Atlanta, Georgia
July 2021 – December 2023 |
| <ul style="list-style-type: none">• Designed and led data governance and data quality demonstrations for 30+ enterprise customers, articulating the business value of intelligent data governance and contributing to a 25% increase in average deal size.• Surpassed 135% of annual ARR targets and supported 92% customer renewal, partnering with Product and Marketing on GTM strategy and product roadmap inputs to align post-sales motion with company growth goals.• Spearheaded GTM strategy with Product and Marketing teams to develop product roadmap and post-sales needs, ensuring alignment with company goals and enhancing overall project success. | |
| Salesforce
<i>Core Solutions Engineer</i> | Atlanta, Georgia
July 2020 – July 2021 |
| <ul style="list-style-type: none">• Contributed to \$1.5M in revenue across 15+ deals with mid-commercial accounts by leading storytelling-driven live demos and providing technical expertise across multi-cloud Salesforce offerings, contributing to a 15% increase in retention rates among key accounts.• Spearheaded sales enablement initiatives including training materials, custom collateral, and RFP support, driving a 20% increase in sales team productivity. | |
